50X1-HUM

German Democratic Republic

1951 PLAN FULFILLMENT OF THE MINISTRY OF LIGHT INDUSTRY BY 30 SEPTEMBER 1951 AND 31 DECEMBER 1951; 1952 PLAN

50X1-HUM

Receipts

While by 30 September 1951 payments of net profits, corporation taxes, and currency were fulfilled on the average by 55.6 percent (budget law) and 54.2 percent (revised budget law) the 1951 goods production plan was fulfilled by 79.4 percent and the turnover plan by 79.6 percent. All HV's (Main Administrations) except for the HV's Wood and Cultural Goods fulfilled their quotas.

Three HV's owe about 13.5 million DM net profit payments and four HV's owe about 29.3 million DM corporation tax payments. The debt resulted from stocks in excess of planned figures valued at 130 million DM for four HV's. [Insufficient liquid funds.]

The currency payments were about 21.9 million DM less than the plan figures.

Expenditures

Expenditures were fulfilled by percentages ranging from 50 (subsidies) to 75 (investments).
